

OUTDOOR STORAGE ON PRIVATE PROPERTY

ARTICLE 1 PURPOSE

It is hereby declared that the outdoor storage and maintenance of abandoned, junked, discarded, dismantled and unlicensed motor vehicles, household appliances, rubbish and debris upon privately owned properties within the Town of Constantia is a matter of affecting the public interest. Such storage and maintenance constitutes a nuisance and an unsightly condition and is a source of vexation and annoyance not only to the owners and occupants of adjoining lands, but also to the general public. The preservation of peace and good order, the safeguarding of health, safety and general welfare and the protection of private property compel the Town Board of the Town of Constantia to legislate upon this subject matter.
