CALL TO ORDER:

At 9:08 a.m. the special meeting of the town board was called to order with the pledge of allegiance.

PURPOSE:

The purpose of this meeting is to update the employee handbook.

DISCUSSION:

Changes and updates to the employee handbook continued to be discussed.

Ms. Butler gave the board a copy of a draft version of an employee handbook that is offered thru ADP. This program is offered as part of our payroll service it has much of the legal wording that is needed. This program can be changed to include any wording or policy that the town might want incorporated. Mr. Mosley told the board that this draft can be reviewed at a later date so we can continue on reviewing what is currently in place and possibility incorporate our policies in the future.

Ms. Butler also put together a sample of how she manages the current EBLAR account. At the previous meeting the board discussed and agreed to change the name of the account to Accumulated Vacation Account. Ms. Butler explained why she did not think it was necessary to change the name, there was a lot of misinformation given out. Ms. Butler will find the information to give to the board to help them make the decision as to change the name or not. The board put off further discussion until Mr. Woolridge could be in attendance.

After discussion it was decided to change the Employment Categories to read as follows:

The Town of Constantia has established the following employment categories:

<i>Elected Officials:</i>	<i>Currently there are nine elected positions, the Town Clerk and Highway Superintendent are expected to work full time making them eligible for medical benefits. Remaining elected officials, 1 Supervisor, 4 Councilpersons, and 2 Judges are not eligible for benefits except workmen's compensation</i>

Accumulated Vacation Account: (The following sentence in italics was added to the paragraph.)

At that time, it can be paid to the employee and/or used to extend the employee's length of service.
