The Association was dealing with Mr. Illingworth on the violations he saw when he was investigating the complaints. Mr. Illingworth indicated there were 50 violations on the various properties. Mr. Woods, Vice President of the Panther Lake Association would like to know where the Town stands in relation to the violations. Mr. Woodward's property borders the property in question has been dealing with the problem for many years and would like a resolution. The board is taking a new look at property under Local Law 1 of 2009 Outdoor Storage on Private Property and is currently giving residents a 60 day moratorium to clean up their properties. Discussion followed, Mr. Mosley asked for a month to give him time to get up to speed on the issues, find the folder and discuss with Mr. Hall, CEO.
